Dear Parents/Carers,

As you may already be aware, we were delighted to receive the news that Larks Hill Junior and Infant School featured in a recent Pontefract and Castleford Newspaper report (<https://bit.ly/36SprKI>), which recognised and commended the academic performance of the Year 6 children in the 2019 SATS assessments. The data reflects the amount of progress the Year 6 cohort made, as well as acknowledging the percentage of children who achieved the expected national standard, in Reading, Writing and Maths.

I am sure you will agree, this is a wonderful achievement for the school and reflects all the hard work of the children and the staff alike. May I also take the opportunity to thank all the parents for their support in helping the school to ensure that every child achieved their learning potential. This is something that we are striving to achieve on a daily basis at Larks Hill School, as we encourage all the children to be the very best versions of themselves.

Yours sincerely,

Mr Shuttleworth
