Head's Message

Dear Parents, Carers,

May I wish you all a very Happy New Year! The children have all returned to school in a very positive and enthusiastic fashion and continue to look very smart and well presented in their uniforms. They have settled back to lots of hard work really well and they should be commended for this.

It was lovely to observe both the Year 1 and Year 5 classes begin their cooking units of study earlier this week. The children were really excited about this and clearly enjoyed the nature of the activity. This unit also provides a real opportunity for the children to learn about the importance of maintaining a healthy lifestyle and makes a number of links to the wider curriculum in school.

There is a lot planned in the school diary for this term, so could I please encourage you all to make a note of the different dates that may involve you and your child/children.

Following on from my letter re: phase 2 of the Larks Hill Outdoor Classroom, it would be superb if there were to be any parental volunteers who would be happy to help us deliver the project for the children. It would be my ultimate wish to try and introduce the Forest School initiative if we were able to achieve this.

I will look forward to seeing you all as the term progresses.

Best wishes,

Mr Shuttleworth
