LARKS
HILL
JUNIOR & INFANT
SCHOOL

Dear Parents,

Just because you are at home, it doesn't mean your child's learning needs to stop! Check out these important websites you can use to keep their bodies and brains busy while you are away from school.

Reading

Please read, read, read and try to do a bit every day. This can include playing phonics games, some websites will refer to phases and although Read Write Inc. works slightly differently we are currently working in phases 3 and 4. Tricky words reading and writing, again phase 3 and 4. Rereading familiar books to develop fluency and confidence is also important.

Writing

The children now know a way of writing all of the sounds and can phonetically sound out 'Fred Talk' each word as well as use the tricky words that they know to write short paragraphs on a range of topics. We have recently been looking at living things and Easter traditions so retelling stories or making factfiles are good ways to make writing purposeful.

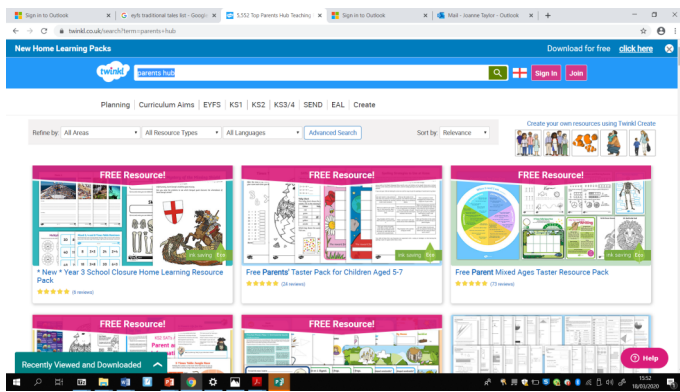

Maths

The children need lots of practise with addition and subtraction to 20. 1 more or less. Finding doubles and halves and sharing out amounts.

Thank you for your support.
