Friday 12<sup>th</sup> July, 2024

Dear Parents and Carers,

## Pupil Reports and Workbooks

May I begin by sharing what a wonderful year the pupils have had in school and extend a 'Thank You' for all your support and positive feedback we have received regarding many aspects of school life this year.

On Wednesday 17<sup>th</sup> July, pupil reports will be sent out via MCAS. The reports will include all attainment including Year 6 SATS results. Reports will no longer be sent in paper format as across the Pontefract Academies Trust, we are aiming to be as paperless as possible. Reports will be on your MCAS app under the Reports section. Please do let us know if you have any difficulties receiving the reports.

On Thursday 18<sup>th</sup> July, I will be opening up the school from 2.15 – 3.45 to parents and carers who wish to view pupil books with your children. You may arrive at school anytime during this window. This will also provide an opportunity for you to speak with class teachers about any aspects of learning you may have before pupils move onto their next teacher or school. Please access the school through your child's classroom door. For those parents with siblings, you will be able to move through school to different classrooms.

On this day, pupils will be able to take home some of their workbooks. However, we do require a number of books to remain in school for the Autumn Term for evidence purposes and some books will be passed onto the next class teacher to continue to be filled. Class teachers will let you know which pupil books will remain in school. Any books kept back for Year 6 pupils will be delivered to the Secondary Schools at the end of the Autumn Term.

Please do not hesitate to contact your child's class teacher directly if you have any further questions and we look forward to seeing you next week,

Yours sincerely,

Headteacher
