Year 3 & 4 trip to Magna Science Adventure Centre – Tuesday 11th February 2025

Dear Parents/Carers,

During this term Years 3&4 will be learning about different forces and how we use them in day-to-day life and how magnets work. To expand and reinforce this learning we would like to take them on a trip to Magna Science Adventure Centre on Tuesday 11th February, where they will experience a practical demonstration of these and spend the day exploring the exciting learning areas on offer at Magna.

We will be leaving school at 8:30am and will be returning at approximately 4pm. We ask that children arrive promptly at school at 8:15am.

Children should come to school wearing their normal school uniform and suitable footwear (i.e. trainers) they will also need to bring along a packed lunch including a drink. If your child is entitled to Free School Meals and you would like us to provide a packed lunch, please let the office know as soon as possible.

The cost of the trip is £27.50. Payment and parental consent are required for this trip and this can be given via MCAS. Please log onto your account and select the trip under 'Products' where you can then pay for the trip and provide your consent at the same time. Payments should be made by Monday 3rd **February**.

Kind Regards

Admin Team
