7th February 2025

Dear Parents/Carers

We have taken the decision to postpone next week's scheduled trip to Pontefract Castle on Wednesday 12th February. The reasons for this being that the predicted very cold weather will not make it an enjoyable experience for the children and the Castle facilities have been over-booked, meaning we would have to return to school before lunchtime.

We will instead be visiting the castle on Wednesday 19th March, when hopefully the weather will be milder and we can make the most of our visit. We will be incorporating a short walk around Pontefract into the visit, looking at the murals of Rachel List that the children have been learning about this term.

We hope you will agree that the decision to postpone will make for a much more worthwhile trip for all the children.

Kind regards

EYFS Team
