23rd April 2025

Dear Parents/Carers,

Re: Pilot - Parent/Carer Advice Sessions

We are pleased to offer an opportunity for you and your child to connect with *Future In Minds*, a team of professionals dedicated to supporting the mental health and emotional wellbeing of young people.

This opportunity is specifically for parents and pupils who are **not currently receiving any form of wellbeing or mental health support**. Whether you have concerns or simply want to better understand how to support your child's emotional development, this is a chance to speak confidentially with an experienced team who can offer guidance, resources, and reassurance.

You're warmly invited to join us on **Wednesday 30th April from 8:45am** for an informal coffee morning with the *Future In Minds* practitioners and our SENDCo, **Lucy Whale**, who has recently returned to work. This is a great chance to meet the team, ask questions, and learn more about the support available.

Please see the attached flyer with further details about the support available. If you're interested in taking part, **please respond with your interest by Monday, 28th April** by contacting the school office or do feel free to drop in if you are available.

For those who are already receiving support this would be an ideal opportunity to touch base with Lucy after her maternity leave.

Yours sincerely,

Headteacher
