

9th October 2025

Dear Parents/Carers,

We have recently received communication from the Wakefield Children Safeguarding Partnership, who have made us aware of a serious concern regarding several titles in the *Spy Dog*, *Spy Pups*, and *Spy Cat* series by Andrew Cope.

These books contain a printed weblink at the back which, when originally published, directed readers to content related to the book series. Unfortunately, this link has since been compromised and now leads to inappropriate and unsafe online material.

In response to this safeguarding alert, and in line with recent media coverage, we have acted swiftly to remove all copies of these titles from our school library and classroom book corners.

To support families, we have included images below of some of the front covers in the series to help you identify whether any of these books may be in your home. We advise that you remove them immediately if found.

If any of the books belong to school, please return them to us so we can dispose of them safely.

We understand this may be concerning, and we want to reassure you that we take the safety and wellbeing of our pupils extremely seriously. We will continue to monitor guidance from the Wakefield Children Safeguarding Partnership and act accordingly.

If you have any questions or concerns, please don't hesitate to contact us.

Thank you for your understanding and support.

Yours sincerely,

Mr J Parkinson
Headteacher
